MEMORANDUM FOR: Deputy Director (Plans)
FROM : Assistant Deputy Director, Plans (Administration)
SUBJECT : Organization Alignment for Covert Training (TRS)

1. The only thing I feel strongly about in this respect is that no single covert office take the responsibility for TRS.

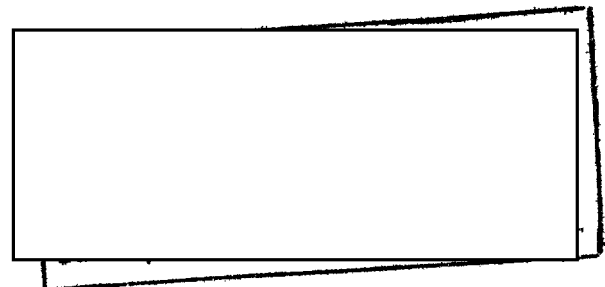

2. A case can be made for DD/A to take it, but I think a stronger case can be made to keep it within the operations side of the business entirely.

3. I recommend that TRS be detached from the Director of Training and attached to your office, reporting to you via ADD/P (A).
